TRK45

The TRK45 is a versitile machine capable of changing from vegetable slicer to food processor in a matter of seconds. With the fast and easy to change attachments, you can be ready to prepare a menu ranging in anything from hors d'oeuvres to dessert. When using the vegetable slicer attachment, it is possible to quickly and easily make over 70 different types of cuts for stylish and imaginative presentations of salads, garnishings, macedonies, chips and many other combinations. When using the food processing attachment, it is possible to mince meat, create elaborate: mousses, stuffings, creams, pastries, etc. The capacities of the TRK45 make it a perfect complement for kitchens of any size.

FEATURES

- Vegetable slicer attachment for shredding, grating, dicing and mincing your favorite recipes.
- Cutter-mixer attachment to mix, blend, chop and puree meats, vegetables and even desserts.Designed for easy cleaning thanks to the rounded shapes and stainless steel top.
- User friendly touch button control panel to select required speed and pulse funcion.
- Efficient scraper eliminates the need to manually remove food from the sides of the bowl in addition to keeping the lid clean for optimal visibility.
- The extensive range of slicing discs and cutting blades makes even difficult preparations possible.
- Specially designed smooth or microtoothed blades in 420 AISI stainless steel guarantee food will not separate.
- Base adjustable from flat to inclined with the simple movement of a lever, making vegetable preparations even easier.

● Designed for easy cleaning thanks to the rounded shapes and stainless steel top.
● User friendly touch button control panel to select required speed and pulse funcion.
● Efficient scraper eliminates the need to manually remove food from the sides of the bowl in addition to keeping the lid clean for optimal visibility.
● Specially designed smooth or microtoothed blades in 420 AISI stainless steel guarantee food will not separate.
● Thanks to its wide versatility, the machine always allows to select the correct slicing/processing speed, according to the accessory being used.

Specifications

MODEL	TRK45VV 603322
